Dear class 10a,

Here are the tasks for the upcoming week. There are some tasks that require you to send me your solution via mail: hatz.arbeitsauftrag@gmail.com (see the red annotations). If there are any questions or problems, be sure to write me and I’ll try to answer as quickly as possible.

For this week I’m going to send you the mp3 for the text “The moment before the gun went off” via mail.
