Good afternoon, everybody

So far, I have not yet received a lot more than I had last week at the same time, so please mail me your assignments.

For this week, you will get some more tips about inline research by using the information compiled by Purdue University.

Go to

https://owl.purdue.edu/owl/purdue_owl.html

Then click on
Click on “and Citation”, then on “Conducting Research”, then on “Searching Online” and read through this chapter (“Overview”, then “The Internet and Search Engines” ...) and also “Evaluating Sources of Information”.

(Of course you may read up on more that you find on this site if you want to.

Stay healthy, make good use of your time, keep up contacts using social media and act responsibly,

Ms Dolling
